| <input type="radio"/> Florida              | <input type="radio"/> Maryland      | <input type="radio"/> New Mexico    | <input type="radio"/> South Dakota   | <input type="radio"/> Wyoming        |
| <input type="radio"/> Georgia              | <input type="radio"/> Massachusetts | <input type="radio"/> New York      |                                      |                                      |

Please rate the following from 1-5 depending on how important the issue is to you.  
 (1 = not important, 2 = low importance, 3 = neutral, 4 = important, 5 = very important)

	1	2	3	4	5
A strong and growing U.S. manufacturing sector.	0	0	0	0	0
Labor laws that support our ability to form unions and negotiate strong contracts.	0	0	0	0	0
Retirement security that includes Social Security, Medicare and Medicaid.	0	0	0	0	0
Affordable and quality child care.	0	0	0	0	0
Affordable health care and prescription drugs.	0	0	0	0	0
Infrastructure investment using domestic components.	0	0	0	0	0
Reasonable and predictable work hours.	0	0	0	0	0
Solutions to climate change that protect jobs.	0	0	0	0	0
Strong overtime protections in federal law.	0	0	0	0	0
Workplace equality and anti-discrimination laws.	0	0	0	0	0
Americans' ability to easily vote.	0	0	0	0	0
Increased wages.	0	0	0	0	0
Strong workplace safety and health protections.	0	0	0	0	0
Trade agreements and laws that protect U.S. workers.	0	0	0	0	0
Other (please specify): _____	0	0	0	0	0

Of the issues listed above, which **THREE** are most important to you?

- A strong and growing U.S. manufacturing sector.
- Labor laws that support our ability to form unions and negotiate strong contracts.
- Retirement security that includes Social Security, Medicare and Medicaid.
- Affordable and quality child care.
- Affordable health care and prescription drugs.
- Infrastructure investment using domestic components.
- Reasonable and predictable work hours.
- Solutions to climate change that protect jobs.
- Strong overtime protections in federal law.
- Workplace equality and anti-discrimination laws.
- Americans' ability to easily vote.
- Increased wages.
- Strong workplace safety and health protections.
- Trade agreements and laws that protect U.S. workers.
- Other (please specify): \_\_\_\_\_

**Please rate how familiar you are with the following.**

**(1 = unfamiliar, 2 = somewhat unfamiliar, 3 = neutral, 4 = somewhat familiar, 5 = very familiar)**

	1	2	3	4	5
The historic infrastructure law that is improving roads and bridges, expanding broadband internet, replacing lead pipes and more while using domestically-manufactured products to do so.	0	0	0	0	0
The recent law that caps insulin costs to \$35 and lowers prescription drug costs for seniors.	0	0	0	0	0
The expansion of grants and other funding to help existing manufacturers upgrade to remain competitive in the future and encourage new industries to locate in the United States instead of overseas.	0	0	0	0	0
The efforts to bring jobs home by returning the production of critical products to our shores, including personal protective equipment and the semiconductor chips that power our electronics.	0	0	0	0	0

**With increased technological change in the workplace, do any of the following apply where you are employed?**

**Select all that are relevant.**

- Increased use of robotics or automation.
- Increased use of computing systems, sensors and/or artificial intelligence in operations.
- Investments to improve energy efficiency or control emissions.
- Training opportunities for jobs using new technology, including robotics.
- My workplace is not making any investments/changes.
- I'm retired.

**Please provide any details you'd like to share on technology or training in your workplace:**
