

In 2020, we surveyed USW members and retirees to understand the issues that were most important to you. As we move into 2021, these concerns remain a priority in our legislative and policy work. We are expecting a significant debate over infrastructure this year. If done right, there is potential for securing and growing hundreds of thousands of USW jobs. Please take a few minutes to answer the following questions to help us understand what matters to you and how our union can supply America's infrastructure needs.

1. Do you support efforts to invest in our nation's infrastructure?

- Yes
- No

2. Please rate the following from 1-5 depending on how important the issue is to you.

(1 = not important, 2 = low importance, 3 = neutral, 4 = important, 5 = very important)

	1	2	3	4	5
Domestically produced components for infrastructure projects.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
A more reliable, safe and resilient power grid; reinforced seawalls, levees, and dams; and other infrastructure to withstand stronger and more frequent weather-related events.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Long-term competitiveness and job security by upgrading, renovating, and retrofitting industrial facilities.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Good, union jobs in manufacturing, public services, and other infrastructure-related employment.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Dependable and modernized ports, waterways, roads, rail, and other infrastructure to move our goods to their destinations efficiently.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The ability to produce essential products and supplies in the United States.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
High-speed internet and modernized schools for all our children and communities.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Critical services and resources to protect public health, such as local hospitals and medical services.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Other: _____	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

3. Which of the following best describes the sector where you work? (If retired, please select where you previously worked.)

- | | | | |
|--------------------------------------|-------------------------------------|--|--------------------------------------|
| <input type="radio"/> Aluminum | <input type="radio"/> Education | <input type="radio"/> Pulp and Paper | <input type="radio"/> Rubber |
| <input type="radio"/> Airlines | <input type="radio"/> Glass | <input type="radio"/> Pharmaceutical | <input type="radio"/> Steel |
| <input type="radio"/> Atomic/Nuclear | <input type="radio"/> Health Care | <input type="radio"/> Plastics | <input type="radio"/> Transportation |
| <input type="radio"/> Chemical | <input type="radio"/> Manufacturing | <input type="radio"/> Public Employees | <input type="radio"/> Other: |
| <input type="radio"/> Communications | <input type="radio"/> Mining | <input type="radio"/> Public Utilities | _____ |
| <input type="radio"/> Construction | <input type="radio"/> Oil | <input type="radio"/> Retail/Service | |

We are collecting examples of how our work can supply and support the infrastructure needs in our nation. If any of the following apply to you, please provide a description. This will help us in discussions with elected officials and key government staff.

4. Do you make or mine something that can go into our country's physical infrastructure? Examples could include copper for electricity transmission, aggregate for roads, insulation for buildings, chemicals for water purification, glass for solar panels, etc.

- Yes
- No

If yes, please describe and include the name of your employer: _____

5. Do you service or support any aspect of our nation's infrastructure? Examples might be jobs in schools, water treatment, health care, parks, building maintenance, etc.

- Yes
- No

If yes, please describe and include the name of your employer: _____

6. Is your job dependent upon infrastructure? Examples could include roads, rail, ports or waterways to move the products you make; levees or dams to prevent flooding of your workplace; reliable pipelines to fuel your facility; etc.

- Yes
- No

If yes, please describe and include the name of your employer: _____

7. Is there an aspect of our country's infrastructure that is particularly important to you, your family, or your community, either because you have it or because you need it? Examples might include safe drinking water, high-speed internet, libraries, local health care facilities, a utility like public water or sewage, etc.

- Yes
- No

If yes, please describe how infrastructure is important to you: _____
